This is now the case in many leisure centres throughout the country. These forms/contract will be available on the spectators entrance on the day of the competition or complete the form below and bring it with you.

*Many coaches wish to use video facilities at events in order to provide feedback for their students. In the interests of Child Protection the BTCEB requires any person wishing to engage in photography or video recording to register their intent using the Photography Registration form provided below. The Photography Registration form must be completed and then submitted to the event organiser on the day of the competition. By entering your child for this event you are accepting that they may be photographed or videoed and are therefore providing the necessary consent. Images may be published by Dorset Taekwondo Association and DE photos.*
