Any contestant wearing unofficial equipment will not be permitted to compete.

Awards:

Awards will be presented to all tournament champions and 2nd and 2x3rd places.

Team trophies will also be presented for the overall team winners.

Team Selection Trophy

As team trophies tend to be won at major events by the larger teams with most entries, we have decided to have an additional TEAM SELECTION TROPHY, which will give the smaller teams a chance to win a team award.

A team selection event allows each team to select up to 7 players from their team (you can select less if you have fewer team members), and all of these players will gain points from their participation. The Selection Team Trophy winners will be decided by using the following criteria:

1. The team with the most Gold medals from their 5 selected players will win
2. In the event of a tie on Gold medals, the team with the most Silver medals will win
3. In the event of a tie on Gold and Silver medals, the team with the most Bronze medals will win
4. In the event of a tie on all medals, the team with the most number of match victories will win

All teams wishing to participate in the Team Selection awards should complete the application form and submit it to Brian Tilley via email: btalley66@aol.com by 8pm on Saturday the 15th April 2023.

The method of scoring for the main team trophies each day will be 7 points per Gold medal (no points for anyone being the sole player in a group), 3 points per Silver medal, 1 point per Bronze medal and a further 3 points per match win. In the event of a tie on points the winning team will be decided on the number of Gold medals won. If the Gold medal count is tied then we will work on Silver Medals, followed by Bronze and then on match wins.
